Jackson, Brian, MD	ARUP Laboratories	Medical Director	Regional reference laboratory
Jenkins, Melinda, Ph.D	Columbia University	Assistant Professor	Nursing & community health
Kitchelt, Maureen	AT&T	Director, Healthcare Business Development	Health care, communication
Kukafka, Rita	Columbia University	Professor	Public health informatics
Lafferty, Patricia, MSN, RN	University of Central Florida	Advisor/Instructor	Community health education
Manderscheid, Ron	Center for Mental health Services/SAMHSA	Chief, Survey & Analysis Branch	Mental health
Merryweather, Patricia	Illinois Hospital Association	Executive Director	Primary care
Murphy, Gretchen	University of Washington, Seattle	Director, Health Information Administration Program	EHR, community health
Orlova, Anna, Ph.D	PHDSC and Johns Hopkins University	Consulting Executive Director, Visiting Associate Professor	Lead poisoning, public health informatics
Peeples, Malinda, RN, MS, CDE	Johns Hopkins University	Informatics Fellow	Diabetes, medical informatics
Saba, Virginia, EdD, RN, FAAN, FACMI	Georgetown University	Distinguished Scholar, Adjunct	Nursing & research
Spivack, Richard, Ph.D	US Department of Commerce	Economist	NIST
Suarez, Walter, Ph.D	MidWest Center for HIPAA Education	President	HIPAA

Timpka, Toomas	Linkopings University, Sweden	Professor	Public health sciences
Van Duyne, Ron	CDC	Public Health Advisor, Nat. Immunization Program	PHIN
Williamson, Michelle, BS, BSN, RN	NCHS/CDC	Health Informatics Specialists	Health data standards, Clinical information systems and nursing

VALIDATORS

Individuals Who Validated the HL7 EHR-S Functional Model Evaluation

Name	Organization	Title	Area of Expertise
Arzt, Noam, Ph.D	HLN Consulting, LLC	President	Immunization registries
Berkowitz, Murray, DO, MA, MS	Towson University	Assistant Professor	Information sciences
Brandes, Wayne, DO, MPH	American Institute of Research	Director	Public health information architecture
Brown, Kevin	District of Columbia, Department of Health		Health Statistics & administration
Buckeridge, David, MD, MSc	Stanford University	PhD Student	Public health physician
Cernoch, Jennifer, Ph.D	Family Voices	Executive Director	Community health
D'Attore, Terry	Hudson Health Plan	IT Head	IT and payers
Edmunds, Margo, Ph.D	American Institute for Research/Johns Hopkins	Principal Research Analyst	PH informatics
Elee, Olivia	Johns Hopkins University	Research Program Assistant	
Forslund, David	Los Alamos National Laboratory		Medical surveillance systems
Gordon, Barry	California Cancer Registry	Director, C/NET Solutions	Cancer surveillance, HL7
Hanken, Mary Alice, Ph.D, CHP, RHIA	University of Washington	Professor	Community health
Hanrahan, Lawrence	Wisconsin Division of Public Health	Senior Epidemiologist & Chief, Section of Epidemiology and Informatics	Epidemiology, public health informatics
Hall, John	Nebraska NEDSS		Public health laboratories & epidemiology
Keelaghan, Eithne, MD, MS	University Maryland at Baltimore	Preventive Medicine Fellow	Geriatrics
Kim, George, MD, FAAP	Johns Hopkins University	Fellow, Health science informatics	Medical informatics
LaVenture, Martin	Minnesota Department of Health	Public Health Informatics Advisor and Manager, Bureau of Health Protection	Public health informatics
Ledbetter, Starla, MHSA, RHIA, PMP	California Office of Health Planning & Development.	MIRCal Project Mngr & HIPAA Coordinator	HIPAA
Len, Christie	Oregon State Health Department		Population health
Lober, Bill, MD	University of Washington	Research Assistant Professor	Info.infrastructure, direct care
Marchibroda, Janet	eHealth Initiative	Executive Director	EHRS, HIT

Mittal, Vikrant MD/MHS	Johns Hopkins University	Research Assistant	Healthcare management
Richesson, Rachel, Ph.D.	University of Texas	Assistant Professor	Asthma
Ryan, Deborah	California Office of Health Planning & Development		
Sappington Rodney	Johns Hopkins University		Anthropology, medical informatics
Singer, Steve	Johns Hopkins University	Consultant	IT
Janet Sullivan, MD	Health Source Hudson Health Plan	Chief Medical Officer	Clinician, quality assurance
Wangia, Victoria	CDC	PH Informatics Fellow	Health informatics
